2024 H.P.D.C.

We know that camp is a place of discovery, fun, and where friendships are formed. Our staff is dedicated to modeling behaviors of acceptance, tolerance, respect, cooperation, teamwork, encouragement, and positive social interaction with others.

These along with positive energy are found all around camp. That is what makes Hidden Pond Day Camp such a special and wonderful place to call home.

We welcome you and your family to Hidden Pond Day Camp. As we do every summer, we hope to deliver a “summer to remember” for all.

Do You Have “Grit”? Positively!

This summer we will continue teaching our campers the value of determination or “Grit.” We want them to see that it is “OK” not to be able to do things the first time they try it, and if they keep trying, they will get improved results. This is a valuable trait that will help them deal with the 21st Century.

Positivity

We will also present our campers with the concept of “Positivity.” Having a “positive attitude” toward things increases the probability of success. We will teach them to expect “success,” as well as being aware when they are in a negative frame of mind.

Dear Parents / Guardians and Campers:

We are anticipating another exciting and action-packed season at Hidden Pond Day Camp this summer. Our goal is to assist you in achieving a positive camp experience for your child and your family. After reviewing the Parent Guide, if you still have any questions, any at all, please do not hesitate to call us. We will be more than happy to assist you. The Hidden Pond Day Camp Staff is very proud of the season that they have created for your child. We hope this Parent Guide will help you prepare for your child's first day, as well as provide you with a resource of camp information. We want to help you and your child to truly have *"A Summer to Remember."*

Sincerely,

Matt Pagliari (Camp Director) and The entire Hidden Pond Day Camp Staff

Observable Behavioral Outcomes – Core Values – Mission – Goals

Core Values (Observable Behavioral Outcomes):

Caring and Respect – Campers will demonstrate ***caring and respect*** through their interaction with each other during camp activities, at lunch, and special events.

Responsibility – Campers will demonstrate ***responsibility*** at lunch, in the changing buildings and other activities in the camp, by cleaning their area before they leave it.

Honesty – Campers will demonstrate ***honesty*** by taking responsibility for their actions while at all camp functions. Our staff will model ***honesty*** in their teaching and approach to their interactions with campers.

Friendship – Campers will demonstrate ***friendship*** by helping each other overcome personal obstacles that may arise during their stay at camp and help each other meet with as much success as possible.

Self-esteem – Campers will experience ***self-esteem*** during their time at camp by finding out positive traits about themselves, through the guidance of their counselors and the help of other campers in the group.

Mission:

Through varied, safe, and age-appropriate programs, we will provide fun-filled activities consistent with our core values, that will allow our campers to learn something positive about themselves and to develop important skills that will help them be successful in life; including 21st Century Skills of Communication, Collaboration, Critical Thinking, and Creativity as well as Grit.

Goals: (Observable Behavioral Outcomes)

Hidden Pond Day Camp at The Rinx is an “**intentional, youth focused community**” that provides the opportunity for youth to come together, build community with each other, and relate to adults and each other in a non-competitive, non-graded environment. What occurs in relationship-building with peers and adults is critical to the success of our camper’s experience with us.

Therefore:

We must take a “**Camper-centered approach**” to all that we do, paying attention to **each individual child**. If we do that, we can attain the following goals:

1. Each camper will make a new friend
2. Each camper will learn something positive about his or herself.
3. Each Camper will eat lunch everyday
4. Each Camper will advance at least one swim level
5. Each Camper will feel accepted and feel a part of their group by reducing the incidences of “Bullying.”

21st Century Skills

- **Ways of thinking** – Creativity, critical thinking, problem-solving, decision-making and learning
- **Ways of working** – Communication and collaboration
- **Tools for working** – Information and communication technology (ICT) and information literacy
- **Skills for living in the world** – Citizenship, life and career, and personal and social responsibility

Hidden Pond Day camp at The Rinx realizes that the world is changing and for our children to be leaders in the 21st Century they must acquire what has been identified as **21st Century Skills**. In addition to the ways of thinking, ways of working, tools for working, and skills for living in the world mentioned above we must also include “Flexibility, Resilience, Adaptability, and Self-Direction. In just a quick scan of the programs that H.P.D.C. offers our campers, a parent will see that summer camp is dedicated in providing an environment for developing “**21st Century Skills**” and “**Grit.**” Every day, campers are afforded the opportunity to be creative, show leadership, experience teamwork, and develop collaborative solutions to the situations that are presented to them. Through our activities, we inspire Innovation, Self-direction and Initiative, Productivity and Accountability, as well as Leadership and Responsibility. We strive to create programming that meets the needs of today’s kids and tomorrow’s leaders. As parents, you can rest assured that in addition to tremendous fun and excitement, we are providing our campers with activities that develop the skills they will need to be successful in the 21st Century.

Dear Parents,

In our continuous efforts to provide the best possible care to our campers and staff, Hidden Pond Day Camp at The Rinx is partnering with CampDoc.com again this summer. We are asking for parents to be open and honest with us. Please do not keep anything from us regarding the development, behavior plans in school, shadows that were provided in school, or other categories that might affect your child's experience.

CampDoc.com is an electronic health record system for camps and will help us consolidate and integrate camper health information into a centralized and secure location. Their system will give our doctors and nurses instant access to camper health information, a key component in providing quality patient care.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only Hidden Pond Day Camp health staff will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

If you are new to our camp this year, you will receive a "Welcome E-mail" from CampDoc.com with information about how to complete your camper's health information.

- Click the link in this email to set a new password for your CampDoc.com account.
- Follow the instructions and complete the health history for your camper. Alerts will appear for any missing required information.
- Upload any required documents to your CampDoc.com account.
- Return to CampDoc.com at any time to make changes/updates to your camper's health information before camp begins.

Please set register@campdoc.com as a 'safe sender,' to avoid accidental delivery to junk and spam folders.

If you are a returning family to our camp, you will receive an email from Camp.Doc with directions on what to do to update your medical information for your child or children. This year you will only have to update your information.

We are excited to continually evolve – building safer, more productive and more efficient systems to create the best experience for you and your family.

We can't wait to see you this summer,

Matt Pagliari

7. All campers are allowed and expected to participate in all activities offered. If there is a medical or nonmedical reason that your child cannot participate in an activity, please note this on CampDoc.

Food - Yum, Yum!

Lunch

1. Hidden Pond Day Camp will provide lunch for our campers.
2. Campers will have the choice of a hot or cold lunch. These choices will vary. (Refer to Lunch Menu)
3. For those campers who do not like the hot or cold selection, there is always the choice of peanut butter and jelly (Uncrustables), a cheese sandwich, or a bagel. There is always fresh fruit and salad available at each lunch period as well.
4. A complete Lunch Menu and Camp Calendar is listed on our website and will be mailed with other forms that have to be returned to the office in April.
5. The drinks available are: Fruit Punch, Pink Lemonade, Iced Tea, Crystal Lite, and Water.
6. H.P.D.C. will do its best to accommodate children with allergies, but because of the makeup of our facility, we can make no guarantees of an allergy free environment.
7. **A separate table will be available for children that require separation due to peanut and other allergies.**

Snack

1. Each camper will receive a snack at the end of each camp day.
2. Snacks will vary on special event days.
3. For those groups that are assigned the last lunch, a morning snack will be provided.

What to Bring to Camp

All campers are given a camp shirt and a Camp Backpack on the first day they attend camp. They should use the backpack to bring the needed items to camp each day.

Key Items to Bring Each Day

1. **Two Bathing Suits (Zip Lock Bag for Wet Suits), Towel, and Sunscreen (If you wish your child to put on sunscreen or have one of our staff put on sunscreen, the NYS Dept. of Health requires us to have a signed written permission from a parent or guardian.
Please sign the sunscreen permission section in CampDoc.)**
2. **Sweatshirt, Sweatpants, High Socks, Gloves, Helmet for skating
(Gloves and Helmets are mandatory for ice skating safety.)**

A Few Tips About Dressing for Camp

1. Wear washable, light, inexpensive play clothes. We play hard here, and campers tend to go home dirty.
2. Short pants and short sleeve shirts will probably be the most comfortable clothing for most of the summer. If it should get chilly, dress appropriately.
3. Sneakers or Tennis shoes are the best footwear for camp. **(Sandals, open-backed sneakers, sneakers with wheels, and flip-flops can cause tripping accidents when participating in certain activities.)**
4. Dress appropriate for rainy weather.
5. Label everything with your child's full name and group name with an indelible marker in large letters.
6. We find that it is easier for most children to come to camp dressed for the first swim with sunscreen already applied.
7. Please do not allow your child to come to camp wearing clothing depicting adult behaviors or language. Those items, images, and language are not permitted at camp.
- 8.

Lost and Found Articles

1. There will be numerous "Lost and Found" bins in the Changing Room.
2. The Division Heads will examine all the items found at the end of each day.
3. If there is a name in/on the article, they will return it to your child's group.
4. If there is no name in/on it, the article will be shown at dismissal for it to be claimed.
5. On the last day of camp, all lost and found items that are non-identifiable are washed and given to Good Will.

SPOTLIGHT ON CAMP SAFETY

Regarding Personal Property and Items from Home

Many items that children enjoy playing with at home can be a safety issue at camp. For this reason, parents are asked not to send any of the following items to camp with their child:

Books	Toys/Personal Sports Equip.	Animals
Trading/playing cards	DVD players	Any Electronic Games or Electronic Accessories
**Cell phone	<u>Guns or Weapons of any kind</u>	Money
Drugs/Alcohol/Vaping Devices	iPad/Laptop/Tablet	Walkie Talkies

1. **Hidden Pond Day Camp provides all necessary athletic equipment. (Except Skating Helmets and Gloves)** There is no need to bring items such as Baseball Bats and Gloves, Soccer Balls, or Lacrosse Sticks, etc.
2. **Money** is not needed at camp. Please do not send money with your child unless specifically requested to do so by a Division Head.
3. Jewelry can be a hazard for your child and other children participating in athletic events. Please do not send your child with necklaces or other jewelry that can get caught on clothing or strike an eye.
4. **H.P.D.C. is not responsible for any lost cell phones, jewelry, clothing, money, athletic equipment, or other articles brought to camp.**
5. Smoking, the consumption of alcoholic beverages, and/or the use of drugs and controlled substances are strictly prohibited at Hidden Pond Day Camp.
6. **Guns, Knives or Weapons of any kind, Alcohol, or Drugs of any kind** that are brought to Hidden Pond Day Camp will be confiscated and result in immediate expulsion from camp.
7. Please do not wear sandals, open-backed sneakers, sneakers with wheels, and flip-flops to camp. They can cause tripping accidents when participating in activities.
8. All camp bags and items from home should be kept in your child's changing area and are subject to inspection.

****Your child's cell phone will be taken away and returned at the end of the day at dismissal.**

“SECURITY CODE WORD/NUMBER”

We would like all our families to look for the information field on the application that says **“Security Code Word/Number.”** To enhance the security of the communication between Hidden Pond Day Camp and our camp families, we would like you to choose a **“Security Code Word/ Number.”**

If you should have a need to adjust your enrollment, or change information on the **Permission to Pick Up Form**, or when you **call** for early pick-up, we will ask you for your **“Security PIN/Word.”**

Please pick a word or number that you will remember and keep stored in a safe place. If you should forget your **“Security PIN/Word,”** please come to the camp office, show picture ID, and we will be able to give it to you. If you call the office, we will e-mail it to the e-mail address recorded on your application.

Please remember, a picture ID will still be required for camper sign-out.

We thank you for your understanding and feel this small addition will enhance the security and safety of all our children.

In Case of An Emergency

An email, text, and a phone call “Blast” will be sent from our emergency system for you to come pick up your child. Please make sure you go to your CampDoc, and Active System accounts and select allow to accept text messages.

Please make sure you provide our camp office with up-to-date and current phone numbers and E-mail addresses.

Contacting the Camp - “We love to hear from you.”

If you have a concern or a question regarding your child, we encourage you to call and speak with his or her Division Head or make an appointment to meet.

Your call will be returned on the same day.

If you have an idea that you think might enhance our camp, we would love to hear from you.

If your child will be absent or late to camp, or needs to be picked up early, please call the Office. This can also be conveyed through a note to your child's Division Head.

3. Full day special events will say “Special Event” on the calendar.
4. For special days, we encourage all our campers to come dressed according to the theme of the day.

Gratuities

Towards the end of a child’s stay in camp, the Office and Division Heads receive numerous inquiries about gratuities for Camp Counselors, C.I. T’s, and Activity Specialists. We pride ourselves in providing a high-quality program for our campers. Our Counselors, C.I.T’s, and Activity Specialists are an integral part of that service. It is against our policy for any member of our staff to solicit gratuities. If that should happen, please contact us immediately. However, if you desire, quality service is customarily acknowledged by a gratuity of three to five dollars per day, per counselor, for each child’s stay in camp. If you have any questions, please feel free to contact the office.

If Your Child Will Be Absent from Camp

Please call the camp office and inform them that your child will be absent from camp. They will in turn get the message to your child’s Division Head and Counselor.

Cancellation/Refund Policy

1. If a child, prior to the commencement of his/her enrollment period, is unable to attend camp because of an **appropriately documented illness or injury**, all monies will be refunded of the future days not attended, less the \$300 nonrefundable deposit/administration fee.
2. No refund will be made for one day absence, two days absence, late arrivals, early departures, or dismissal for cause. Tuition and fees are agreed to be the reasonable amount as and for liquidated damages.
3. If tuition is not paid as per the schedule of payments set forth on the application, early enrollment credits and or discounts will not adhere, and enrollment may be cancelled, and no refund made.
4. There will be no refunds or make-up days for **non-consecutive** missed days of camp. If a camper is absent consecutively for **three days** or more, **due to medical reasons only**, a refund, or credit towards an additional week or next year’s enrollment will be made for each day missed, **provided a physician’s note is submitted appropriately evidencing medical reasons for the absences**.
5. Due to camper security and enrollment, no makeup days will be permitted.
6. If the camp is forced to close due to COVID-19 restrictions set by the State or County, we will issue a credit for the days that we are closed. That credit can be used for the following Summer towards camp and/or events that take place at The Rinx in Hauppauge or The Rinx at Harborfront Park located in Port Jefferson.
7. If your child is removed from camp because of bullying or unwanted behavior as listed in the camper awareness section of this document; there will be no refund or credits for days removed from camp.

Changing Weeks and Enrollment Extensions

1. If you wish to change any weeks of your enrollment, ***Before Camp Begins***, there will be no charge. Please send an email or note requesting your change. We need this in writing for our records. If the week you desire is available, a change will be made.
2. If you wish to change any weeks of your enrollment, ***After Camp Begins***, there will be a **\$75** charge. Please call the office to find out the procedure to make a change. If the week you desire is available, a change will be made.
3. If you wish to add weeks to your enrollment later, the cost will be calculated based on "**Existing Enrollment Rates**" at the time of your extension.

NOTE:

For the general welfare of all campers, the Camp reserves the unrestricted right to dismiss any camper whose conduct or influence, in the opinion of the Camp Director, is not in the best interest of the other campers and the camp. In addition, no refund or credit will be given.

PARENT CUSTODY POLICY

Each year our camp is confronted with child custody issues. Please understand that our first obligation is to the safety and well-being of all the children in our camp. Sometimes these issues can be harmful to our camp atmosphere, as well as to the child involved. It is to this end that we require you as parents to come to an agreement prior to the beginning of camp and follow it throughout the summer.

1. We will allow **each parent** the same access to the child regardless of who has enrolled the child unless there is a **specific court order** to the contrary.
2. **Our "Permission to Pick-Up" form** will include any other person that will be picking up the camper that is mutually agreed upon by the parents.

Camper Behavior Awareness for Parents

Hidden Pond Day Camp has been successfully providing a summer of safe, age appropriate and memorable experiences for children for many years. We have been pleased to be able to serve generations of families, as well as multiple siblings. Hidden Pond Day Camp has been able to serve children accepted for our program, and year after year, parental praise for our work has been the rule. We are grateful for all your letters of appreciation and expressions of satisfaction with our efforts. We have every intention of continuing to care for your children with the same concern, interest, and energy as we prepare for this summer.

The success of our program is based, in part, on:

- High standards of care for your children
- High expectations of ourselves and our staff
- A value system explained to staff, campers, and families
- Boundaries clearly defined for campers and staff

Hidden Pond Day Camp is a community and a family. The well-being of your children, both physically and emotionally, continues to be our number one priority. For us to reach our goals, we need to make you aware of the observations and incidents we have been experiencing in the last several years. We believe that many children have been negatively influenced by the social media apps on their phones, song lyrics, sexually erotic television programming, movies, computer games, and the Internet. Our society appears to be exposing our children to bullying behaviors, sexuality and violence, all of which idealize the use of drugs and alcohol. Our young people cannot avoid seeing, hearing, and absorbing these negative influences. However, what unfortunately may be acceptable in other places and communities will not be accepted in Hidden Pond Day Camp's Community. If we are to continue to care for other people's children with the same concern, interest, and commitment to safety as we have in the past, we cannot allow those influences to infiltrate our community.

We attempt to teach campers to:

- Recognize that they have responsibility for themselves and those around them
- Learn to make choices, which are good for themselves and others, and to take responsibility for the choices they make
- Respect themselves and others regardless of differences
- Accept that they are accountable for their actions and the consequences for inappropriate behaviors
- To respect and conduct respectful communication with all genders, varying disabilities, cultures, races and religions. Bottom line respect everyone always and follow the "Golden Rule."

It is essential that all parents communicate to their children that we will not accept behaviors such as: bullying (including cyber-bullying and sexting); violence; possession of weapons and drugs of any kind; repeated profanity; disrespect; bigotry; homophobic comments; inappropriate sexual behavior; drug and alcohol use (including vaping of any kind); use of cell phone, instant messaging, or blog use, (or any other inappropriate use of electronic devices – before, during, or after camp); or any other unsafe behaviors that are potentially harmful to themselves or others. They must understand that a consequence of unacceptable behavior can mean their removal from our program.

Our staff's goal is to offer only pleasant memories for every camper. It is not our intention to exclude any child. It is important that parents and camp management are in total agreement

and discuss in detail, your expectations with your child. A child or children asked to leave camp, because of behaviors detailed above, may not be permitted to return in future sessions or summers. There will be no refund granted for unwanted behavior which resulted in the campers removal from camp.

Another area of concern has been our experience with some children who have been sent to camp with “family burdens/issues.” Specifically, campers:

- With psychiatric problems, including suicide gestures or ideation
- With medical problems
- With organic problems, who are off medication for the summer
- Who were hospitalized for physical or emotional reasons since last summer
- Who are experiencing traumatic reaction to family issues, such as parental separation, divorce, illness or death
- Who had behavior plans in school or one on one aids

In fairness to our counselors, staff, and campers, we need to make decisions concerning all the young people we invite into our community and family. “Family burdens/issues” need to be shared. Our purpose in having pertinent health information, both physical and emotional, is to better serve each child. We must expect that all parents or guardians have provided Hidden Pond Day Camp with all the necessary information we need to keep all children safe.

With these facts in mind, Administrators of Hidden Pond Day Camp, we must reserve the right to ask that a child at risk to oneself or community be picked up and removed from camp immediately. There may be a circumstance where we have agreed to accept a child with full knowledge of his or her problems/concerns and have attempted to take all necessary steps to make the experience successful but find that we are unable to do so. For the good of the child and /or community, the child may be asked to leave if the situation presents itself.

If a child demonstrates unwanted behavior from the above-mentioned, or does not listen to their counselors, intimidates, ridicules, makes fun of, or just simply bullies anyone in camp they will be removed from their group. Depending on the severity of the unwanted behavior our policy is 1st offense talk to the division head and call parents/guardians from the camp office. The second offense will result in camper removal for the day. The third offense will result in camper removal for the rest of the camp season. All these actions are nonrefundable days.

This information would have been unheard of ten years ago, however, the world has changed, and we need to accept the effects of some of those changes. As caretakers of your children, we accept the responsibility of partnering with you and simply ask for your full cooperation. As always, please contact us if you have any questions or concerns about this communication or any other matter.

We look forward to providing your child with another “*Summer to Remember.*”
