

The background of the entire page is a soft, pastel illustration of a sky with white, fluffy clouds. A large, multi-colored rainbow arches across the upper half of the image. The colors of the rainbow, from top to bottom, are pink, orange, yellow, and green. The words "Infant Room" are written in a dark blue, cursive font across the middle of the rainbow. Below the rainbow, there are two large, white, cloud-like shapes that frame the text. At the bottom of the page, there is a green field with some small, dark green tufts of grass. On the left side of the text, there are three small pink flowers with green centers. On the right side, there are three small orange flowers with green centers.

Infant Room

Children will follow their own individual schedules for naps, feedings, and play-time windows. Diaper changes will be completed every two hours or as needed. Daily activities will include free play, music, and tummy time. Weather permitting in the spring and summer, children will enjoy outdoor buggy rides. Teachers will support age-appropriate fine motor development and developmental milestones such as picking up finger foods, holding bottles, and other self-help skills. As children approach the appropriate age, they will gradually begin transitioning to the next classroom schedule.
