

CampDoc and Other Medical Forms

Dear Parents,

In our continuous efforts to provide the best possible care for our campers and staff, Hidden Pond Day Camp at The Rinx is once again partnering with CampDoc.com.

CampDoc.com is an electronic health record system for camps and will help us consolidate and integrate camper health information into a centralized and secure location. Their system will give our nurses and EMTs instant access to camper health information, a key component in providing quality patient care.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only Hidden Pond Day Camp health staff will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

We can't wait to see you this summer,
