

**ADDITIONAL SESSIONS  
ADDED DUE TO  
POPULAR DEMAND!**

## **THE HPDC SUMMER READING PROGRAM**

Statistics show that every year, *all young readers lose as much as two or more reading levels during the summer*. Because we know that this can be an issue of great concern for both our parents and campers, Hidden Pond Day Camp is proud to continue our Summer Reading Program.

**Program includes: (Individual tuition is \$55 cash or check per child, or \$56.80 for credit and debit cards, per 1-hour session).**

- Offered for children of all ages and reading levels
- Foundations (children K-2) if necessary
- Complete all summer reading requirements/projects
- Read interesting books on their individual reading level
- Receive targeted reading assistance as necessary

Whether your child is an advanced reader or one who struggles a bit to stay on grade level, our engaging program and activities will help him/her stay on target for September. Based on demand, parents can choose one or more 1-hour sessions per week. Available time slots are before camp from 8:00-9:00 AM, and after camp at 3:30-4:30 PM, or 4:45-5:45 PM. If you are interested, please enroll ASAP as there are limited slots for each teacher.

Tuition is calculated per hour, per child. **Program includes: (Individual tuition is \$55 cash or check per child, or \$56.80 for credit and debit cards, per 1-hour session).** If your child does not attend a full 8 weeks of camp, he/she can still participate in the Reading Program during the weeks that he/she is not enrolled.

If you would like more information about this program, please email Faith at [hpdcreading@gmail.com](mailto:hpdcreading@gmail.com). She will be happy to answer all your questions and schedule your child in the program. Please include your child's name, the grade for September, the weeks of camp he/she will be attending, the current reading level if known, and any issues your child may have at this time.

We look forward to working with your child!
